## Friends of Lapwing Lane Arcade

Bulletin 28

July 2014

### Opening ceremony

The Grand Opening of the restored arcade and unveiling of the commemorative plaque will take place on...

**Sunday September 14<sup>th</sup> at 5.30**

... as a finale to the local 'Heritage Weekend' events.

It will be a short ceremony in front of the Lapwing Lane arcade with Pizza Express and Wine and Wallop providing refreshments afterwards. Speeches will be short and sweet and (with luck) we'll have the Parr's Wood School jazz band serenading us.

Dr Doug Edwards, who, with his late wife Jo, were among the first to get behind us and support FOLLA, has kindly agreed to unveil the plaque on behalf of all the generous contributors to the campaign.

Please come and join us in celebrating the completion of the project.

### Signs and all – The 'Finished Article'

### The Plaque – explained and illustrated

A couple of months ago we sent a special bulletin to all those who have generously contributed to the 'Pay for a Pane' scheme, illustrating and explaining the design of the plaque. This is now attached to this month's email so that you can all see what the plaque will look like. Also attached is a table giving the final list of all the inscriptions to be included on the plaque.
